All meetings will be held via Zoom. If you have any questions about your SIGs/SUGs/groups, please contact your coordinator.

There was an identified positive case at Companion House yesterday morning (Wed 11 August). If you were at Cook during this period and develop any symptoms or you are concerned, please get tested or talk to your medical practitioner.

We will continue to monitor the situation in line with advice from government health organisations. Keep an eye on the website for further information.

More details on FHACT's COVID Safe Policies can be found in the HAGSOC COVID Library Plan and in the COVID Safe Library Users Guide. Policy documents and previous announcements are available below.

Please contact the Co-COVID Officers if you have any questions or concerns.
